Editor's letter

This is always the saddest part of the job for me. Having laboured away to create another issue of *Men Only* that we reckon is good enough to carry the name of the brand that's been going these last 77 years; having hand picked the girls, tweaked the layouts, written all the words and all the rest of it that goes into a magazine, this is my final act before we all kiss it goodbye and wish it luck in the big wide world! It's almost enough to bring a lump to the throat, isn't it? Then again, having a quick glance through the magazine has reminded me that it's not really in the throat region that a big lump generally appears when presented with girls of this quality! Ahem, anyway, enjoy!

Spunk Mail

Spring is in the air, which means men's thoughts turn to… oh, hang on though – you think about it all year round anyway!

Dear Michelle,
First of all I'd like to say you are a beautiful and very sexy young woman. I love seeing your pictures in the magazines, and I love watching you in videos and DVDs.

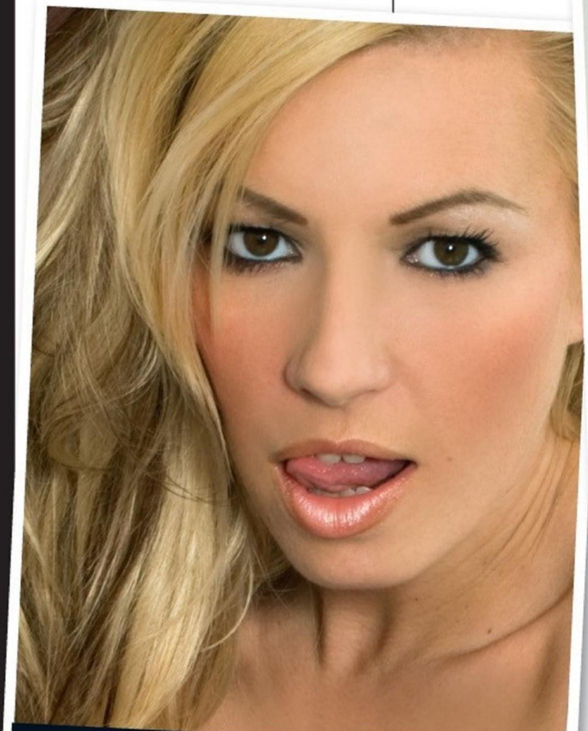
I am writing to tell you about an unusual fetish I have; I love kissing women who are wearing lipstick or lip gloss. It's not the colour that turns me on, it's the taste, the smell and the feel. Can you recommend any particular brands of scented lipsticks or lip gloss? I would love to know which brands you wear, Michelle – even if they are unscented your lips always look so sweet and sexy! Watching you kiss other women in your films is particularly sexy. Sometimes even I wish I was a woman so I could be in on of those films with you…
Gary, Jarrow.

Michelle says: Hmm, it's usually my other lips that people fantasize about, but it's nice to have someone paying a bit of attention to my face! I don't have one particular brand that I use all the time, I'm afraid, but you're right – kissing those other girls in the films is a real turn-on for me as well!

Dear Michelle,
Just a note to say thank you once again for the best mag on the top shelf! Volume 77 Number 2 with Aria and the lovely Monica was fantastic – I loved the picture of Monica holding her pussy lips wide open. My cock was quickly as hard as concrete looking at her lovely clitty. And as for Shyla in the bath!

As I may have mentioned in earlier letters, I hope you can find me a nice ginger minge to look at soon. All the best for now,
Bob Norfolk.

Michelle says: Well, we've got an interview with one of the finest looking redheads in the business this month, and Sabrina got a bit of a ginger landing strip going on – hope that'll keep you going for this issue, at least!



LIPS PART ONE

LIPS PART DEUX

Dear Michelle,
My wife Imogen and I are successful, professional people in our late thirties. We were both sexually very adventurous before we got married, and when we did tie the knot neither of us saw any reason for that to stop. One of the things we did agree on was that we both have top be involved together in some way, even if that just means watching. By having us both there, that's to us how we stay faithful to each other.

One of our favourite ways to get off sexually is to go out and find another person to join us for a threesome, which is our favourite kind of match up. Sometimes we'll invite a guy to join us, and other times a woman. When we really feel like a real adventure though, we book a hotel in London and go for a dirty weekend. While we are there we'll hit a few likely spots and pick up someone to join us for some sexy fun.

Our last London adventure turned out to be our best sexperience yet! We checked out a bar just off Leicester Square that we had never been to before. It had a great atmosphere, although it certainly wasn't a swinger hangout or anything like that, but for the first hour we were there we didn't see anyone we fancied. One woman did catch our eye as she walked in a while later, though – a young, brunette with a great athletic body and pretty face. She was on her own, and didn't appear to know anyone in the bar, so I concluded that she was looking for sex. With that in mind, Imogen and I went over to

Sabrina turned more than a few heads when she appeared in our sister magazine *Mayfair* back at Christmas, so we thought it only fair that we gave *Men Only* readers the chance to cop a load of her as well. She really is something special, isn't she?

So how does she feel about appearing in the longest running top shelf magazine in the world?

"It's fantastic! I remember when I was a kid finding my dad's stash of *Men Only*s and being fascinated by the women in them. They seemed so grown-up and sensual, and now, here I am appearing in *Men Only* myself!"

So your dad's a *Men Only* reader, is he? Aren't you a bit worried about him spotting you in this issue, then?

"Not at all – I've already told him – he's a big fan of my modelling!"

Ah, if only more stunning young girls had that sort of parental support!

Men Only TOY OF THE MONTH

ROCK BOX UNISEX VIBRATOR
Lovehoney.co.uk
£99.99

Don't panic - we haven't strayed into the Black & Decker isle at your local DIY store by mistake – this very sturdy looking piece of kit really is a sex toy! As you might expect for something so rugged, it's mains operated rather than relying on puny batteries for power, and the result is that the motor can generate a staggering 5,000RPM vibration which, the puff proudly claims, means you get shaken five times more fiercely than you would be by the average washing machine!

It's got attachments for both boys and girls; ladies get a large pink tongue that pokes out from the unit which is designed for ultimate clitoral stimulation as well as G-Spot penetration, while boys have the option to slip a contoured attachment under their old chap or place it over the end – both ways should have you creaming your strides in no time at all. Yes, a hundred knicker ain't cheap for a vibe, but you'll certainly be getting some serious kit for your money! The only think lacking is a jigsaw attachment…

talk to her and see if maybe she was up for some fun with us!

Orla, as we soon found out she was called, was great to chat to – very funny, and very sexy too. We eventually steered the conversation to sex, and she bragged that she was up for anything, which was music to my ears! She added that she was going to a fetish club shortly, where she'd find either guy or girl to take home and fuck that night.

I asked her if she'd ever had a threesome, and she said she had previously had two men, and that she had especially loved taking two cocks on at once – one in her mouth and one in her pussy, but that she'd never had a threesome with a guy and girl before. Well, that was just the kind of opening I was looking for, and asked her if she'd like to join Imogen and me that night. Grinning, Orla said she'd love to and we wasted no time in hailing a cab.

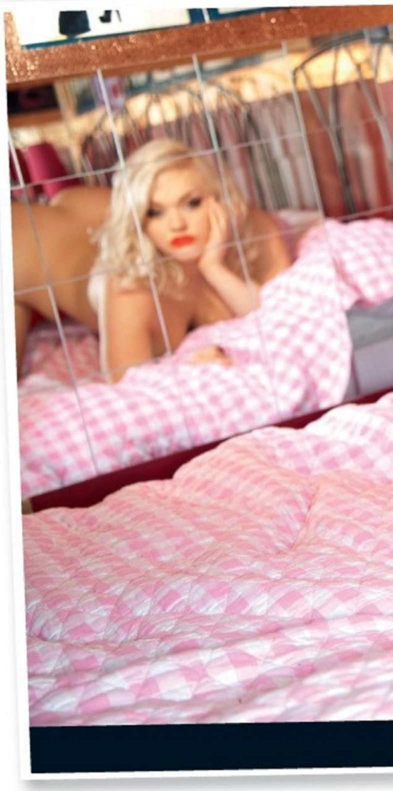
We went back to our hotel room and I watched as Imogen peeled Orla's clothes off, revealing her ebony skin, slowly and deliberately. Her tits were firm and pert, and I felt my cock immediately spring to attention in my boxers. Once both girls were undressed, their bodies pressed together as they kissed. It was so sexy to see my wife's pale skin next to the dark flesh of our new fuck friend.

They moved to the bed and Orla bent her head between Imogen's legs, tasting the ripe peach that was my wife's cunt. I pulled my cock out of my trousers and began to wank it slowly as I watched. The girl was good! My wife writhed on her tongue, and tweaked her own nipples, panting away heavily. It was great to watch, and I know it was good for Imogen – a female tongue stuck in her bits gets her off really quickly!

Imogen came quietly, sweat droplets running down her naked body as she shuddered with her orgasm. When she had recovered her breath sufficiently, she pushed Orla back onto the bed, kissed her softly on the lips and gently slid two fingers into her sopping slit. She finger-fucked her hard, then added her tongue to the mix, sliding it over and around her clit, sucking and slurping away so I could hear how wet Orla's pussy was. My balls were aching to shoot my seed up that tight fanny, but I knew it would be more likely that Imogen would want to see my white jizz smeared all over her pert little tits! Imogen brought Orla off quickly and they turned to me, beckoning me to join in. Of course, I was more than ready and waiting for this, so I dove straight in. I tasted both pussies, then got Imogen to lay back with Orla on top. Both raised their rears so I could get between their legs and plunge my cock into each of their twats in turn! It felt amazing to dip into my wife's pussy before pulling out and instantly ploughing straight into this stranger's glistening cunt with the next stroke!

> "It felt amazing to dip into my wife's pussy before pulling out and ploughing straight into this stranger's cunt!"

I fucked them like that for a few minutes, but it started to become uncomfortable for all of us, so Orla got on all fours on the bed, while Imogen lay under her so they could sixty-nine each other. This left the way clear for me to fuck Orla doggy-style, and I took advantage of that fact straight away.



I opened her delicate pinky lips

There's been no getting away from the Knights Templar since Dan Brown hit paydirt back in 2003 with *The Da Vinci Code*. A couple of years later Raymond Khoury penned *The Last Templar*, another tale of the medieval order getting tangled up with the modern world, and found himself with a bestseller on his hands! This adaptation comes via Canada, and if you've got a yen for all things Knighty and Templarish then you're onto a winner! We've got 3 copies of the DVD to give away, too! A ROOM WITH A VIEW!

with my fingers and slammed my prick deep into her juicy fanny, relishing the feeling as I sunk in deep before pulling out and repeating the process. I could feel my wife's tongue slurping at her pussy as I was fucking it, making the whole thing so much more horny.

Suddenly, Orla came on my cock and Imogen's tongue, and I knew that wouldn't be too long myself. I'd deliberately refrained from ejaculating for a couple of days, so my balls were full and aching to be released. It also meant there was a lot of it, and when I realised I couldn't last any longer I pulled out of her tight hole and wanked my prick as I shot a jet of spunk all over Orla's arse cheeks. Imogen didn't disappoint me, and licked up every last drop, before sharing my spunk in a ridiculously horny kiss with her!

"I opened her delicate pinky lips with my fingers and slammed my prick deep into her juicy fanny…"

Although Orla left that night and we've not kept in touch, Imogen and I talk about that night regularly – in fact, we both agree it was our best threesome ever!

Dear Michelle,

How lovely to see Samantha, Sophie Dee and Priya all sporting proper furry fannies in the latest issue of *Men Only* (77.03)! I've been a big fan of Sophie and Priya for some time, but I was blown away by the delectable newcummer Samantha, who as well as sporting a thoroughly naughty glint in her eye also boasts one of the finest muffs I've seen in the mag – or any other – for several months.

I can just picture myself running my hand over her neatly trimmed mound and then, who knows, maybe rubbing my knob over it before sinking it deep inside her welcoming pussy. That picture of her on page 26, where she seems to be begging for a good seeing to doggy-style is stunning – and the fact that I could screw her that way and still see the look on her face thanks to that mirror only makes the prospect all the more enticing!

Please let's see more of Sam and her lovely natural nadger in the magazine before too long – and plenty more girls with a bit of fur down there as well!
Martin, Leeds.

Michelle says: Yes, Sam's beautiful beaver certainly had me licking my lips as well. We'll definitely be trying to get her back soon, don't worry about that!

Sandra Shine – what a perfectly named choice of model for our first outdoor shoot of the spring! It's always a welcome time of year when you can get outside and bask in the sun a bit – and it's even better when you can take a horny model with you and get her to strip off! Much as we love shooting girls indoors, there's something about doing it outside that seems to get them extra turned-on, and from the way Sandra set about tweaking her nipples and rubbing that delicious pussy of hers, she was no exception! Watching a saucy strumpet playing with herself while catching up on a bit of vitamin D at the same time – there's not much to argue with there, is there?!

Come on – what are you waiting for?!

Barmaid Lisa's pulling more than pints this month!

My name is Lisa and I'm a barmaid. To some it may not seem to be the most glamorous job in the world but I like it, plus the hours suit me as I hate getting up early. My boss is a bit goofy, fun to be around and not as anal about time keeping as some of the others I have worked for in the past.

In fact all the staff get on very well together, and as the place has a relaxed atmosphere the customers seem to feel the same and we rarely get complaints or abuse from them.

I like to think of myself as a people person and while I don't want to have to listen to every customer's woes I often make an effort to sympathise with a regular if they need a friendly ear, or a shoulder to cry on. Ever since I started working at the bar, Alan has been a regular.

Last Tuesday night he came in looking dreadful. Things were slow at the bar so I when I had pulled his pint I went to sit with him for a while to try and cheer him up. While he often flirted with me he never really told me much, so I was surprised when he opened up and told me he had finally broken up with his long-term girlfriend.

I didn't even know he had one, but the fact that he had broken up with her was good news. After all, she had clearly made him feel sad and who could blame me for taking up the slack and jumping in while the coast was clear.

I made all the right noises, shaking my head in sympathy, and encouraging him to bad-mouth her – all the while seeing to the other customers and continuing to feed him drink. By closing time he was feeling great and buoyed up with all the compliments I had given him all night.

As he was in no fit state to drive I offered to drop him home, assuring him that his car would be OK in the pub's car park. He agreed and directed me to his home in one of the most expensive areas of the town.

We pulled up outside a large house and not unexpectedly he invited me inside. It was very impressive but Alan had only one thing on his mind… and that was bedding me. I found it strange to see how aroused he was, especially with all his ex-girlfriend's stuff still in packing

"Alan only had one thing on his mind… and that was bedding me!"

cases in the hall. The only reference Alan made about his ex was a curt "fuck her" as he passed the boxes and dragged me towards the bedroom.

He didn't even bother to change the sheets, he just started kissing me as his hands fumbled with my fastenings as he undressed me. I helped him out of his clothes and once he had shrugged free from his shirt and pulled his boxers down, I got my first glance at the biggest cock I had ever seen. It was standing so erect that it was very obvious that Alan was very, very pleased to see me naked.

I wrapped my arms around his neck and jumped up, wrapping my legs around his waist. Alan gripped each of my arse cheeks with his hands, and laughing, toppled on top of the bed, rolling me onto my back. Then he wriggled down my body, and, spreading my legs wide, began to eat my pussy. He was amazing! He knew exactly how to get my pussy soaking. His fingers delicately pulled my labia apart as his tongue explored my inner recesses. Delving deeply he flicked it against the sensitive interior, while teasing and tantalising my clit with his fingertips.

My buttocks tightened as my pussy contracted around his busy tongue and I felt my whole pussy go into one erotic spasm after another. I was panting and gasping as I orgasmed again and again, and when he sat up to catch his breath I was wild-eyed with desire to feel his magnificent cock inside my still-throbbing pussy.

I reached for his member, gently wanking it as I got up into a sitting position beside him.

Alan sighed as he lay back and allowed me to get to work on him. I stroked his thick erection, moving my hand gently up and down his shaft several times before lowering my lips over his thick glans and sucking his bell-end inside my mouth. I bobbed my head as I sucked on his prick. It tasted wonderfully savoury and my tongue swirled around his cock-head, teasing it gently as I sucked him as deep as I dared without gagging.

Alan moaned and allowed me to fellate him for a while before pulling me away from his shaft and asking me to sit on his prick. I happily sat astride him, lowering myself onto his cock. It was a much bigger cock than I was used to, and the delicious friction of his fat cock sliding inside my pussy almost made me come on the spot.

With Alan's hands supporting me at the waist, I bounced happily up and down on his cock, almost squealing with delight at the wonderful sensation as my clit rubbed against his shaft. Alan was enjoying himself too, and with his cock still deep inside me he rolled us over so he was on top. In this position he could fuck me harder and faster, and indeed he did. He fucked me so hard that my bum-cheeks bounced against the mattress as his cock pounded in and out of my hot pussy.

I was gripping the bed clothes and screaming with utter abandon as I started to come, and as he emptied his balls inside my convulsing pussy I raked his back with my nails.

Since then I have had to give notice at my job as I have more important ways to spend my evenings than serving drinks.

"I bobbed my head as I sucked on his prick. It tasted wonderfully savoury…"

World

Those of you with a good archive of *Men Only*'s might recognise Kat – she first appeared in the magazine a few years back, but although we were blown away by her sultry sexuality we never managed to track her down for another shoot – until she got in touch a few months ago and asked if we fancied hooking up again. Well, that was a bit of a no brainer, and we set up the shoot in double quick time! She's kept herself in pretty good shape, that's for sure, and if anything we reckon she's looking even sexier now than she did then. So what's the secret?

"Oh, there's no secret! Jus a healthy diet, not too much sunlight and an active sex life seems to do the trick for me!"

We're not sure about the diet part, but if Kat ever wants any help keeping her sex life active, we've already rustled up a dozen or so volunteers in the office!

Brook

Photos: Cherry Blossom Media

A few months ago the Ed started that an increasing number of letters were asking if he intended to feature curvy new British babe Brook Little in the magazine? Well, he's generally pretty quick on the uptake, and it wasn't long before he was putting out the feelers and trying to track the girl down. Well, once we'd managed to lure her in for a shoot before we realised exactly what it was everyone was getting excited about – talk about a magnificent frontage! Boobs like those don't come along every day of the week, so we're hoping to see a lot more of them – not to mention the rest of Brook's gorgeous bod, in the not too distant future!

Interview

Nikki Rhodes

Las Vegas resident and make-up artist Nikki Rhodes first stepped in front of the camera 2006 and started using a using a multitude of aliases. You might have heard of Nikki Coxxx or Nikki Roze… but whatever name she went by, no hot blooded male would mistake her natural red bush, perfect natural tits and alluringly freckled shoulders.

There aren't too many redheads in porn these days, so the slender and very young looking 29 year is in great demand, not least with soulmate and fellow performer Madison Young; these days the girls often perform intense rug munching scenes together – and from the look of things they love every minute of it.

Why did you go from being a porn make-up artist to porn actress?
Well, I was already there on set, so I thought I might as well make five times the money by taking my clothes off. It wasn't a difficult decision. I love sex and have always been attracted to boys and girls alike, and I have never been shy. I have just the right amount of freakishness to me to be a good porn actress.

How did your friends and family react?
Not many people know, at least they don't tell me anything. My parents know that I do nude modelling, which is also true. I guess people would be quite surprised if they found out about the hardcore stuff. I was such a nerd in school. Everybody thought I was going to become a lawyer since I did a few years of law school before I jumped off that train.

Tell us a few random facts about yourself!
Let's see. I'm a vegetarian, I love muscle cars, I love to watch extreme sports like super cross or UFC, I'm very clumsy, and I buy at least five pairs of shoes every month.

How about lingerie?
I buy that too, but not nearly as often because we usually get to keep the lingerie we wear in our movies so I have tons. And in my personal life I always go commando, anyway.

How do you pick the guys and girl you

Text: Lobo Press **Photos:** Digital Playground, Wicked Pictures.

“I prefer someone smaller, because then I can push his cock all the way in…”

sleep with?
I'm mostly into muscular guys. Bad Pitt is my idol. I change boyfriends all the time, but I tend to keep the girls around for a while. Brunettes with nice tits and asses are my weakness, like Megan Fox. Having a boyfriend is nice but it gets really frustrating to deal with the jealousy that comes from me being a porn actress, so my relationships are usually short lived. Girls seem to have an easier time understanding my job.

Are you in a relationship right now?
Well, I'm on-and-off with several people. I often date the people I work with. Madison Young is someone I sleep with on camera and off. And Zoe Britton. But I'm open to more suggestions.

Would you consider dating a fan?
Yes, but to be honest; it's better if he at least pretends he hasn't seen me naked. I find it a little awkward knowing that someone already knows what the inside of my legs look like. It's unfair! But I love men and I'm easily flattered, so…

Do you like to swallow?
Absolutely. Like I said, I'm a vegetarian but I need to get my protein from somewhere…

What are some of your pet peeves from working in the adult industry?
I can get really sore the next day from all the crazy positions. All my back muscles hurt. I know I should be exercising more and go to the gym every now and then, but I'm basically lazy so I don't even bother to stretch after a long day of fucking. But other than that, I don't really have any complaints. I love my job. Boning people and getting paid. What a concept!

What is the surefire way to get you off during filming?
I can come quite effortlessly as long as I'm with someone who knows how to eat pussy. Some civilian guys I dated were not so great, but most of the porn actors know how to do it well so it's seldom a problem.

Do you have a size preference as far as the men go?
I'm very short, only 5'1" and my pussy is just as shallow as you could imagine. It makes boning a big dick a little difficult. I must say I prefer someone smaller, because then I can push his cock in all the way to the root and it simply feels better for both of us.

Do you have any body parts that make you feel self conscious?
Not anymore, but I wore braces for a while when I had just started filming and it made me very insecure. But now my teeth are straight and perfect looking so it was worth it.

What's the naughtiest thing you've ever done?
I've been known to do certain things in my car. I'll sit in traffic and masturbate because I'm bored. Some people would call that naughty.

Are you an exhibitionist?
I don't think so. Again, some people might disagree since I work in porn, but to me it's not important that people watch me fuck. What's important is that I'm having a good time.

Where do you think porn will have taken you in, say, 5 years time?
I genuinely hope I can still work in porn long into my thirties and forties. With all the MILF and Cougar movies out there, I'm thinking there is hope for me!

By our reckoning (and we really ought to know!) this is only the second time that leggy Danielle Maye has appeared in *Men Only*, but she's already established herself as one of the office favourites! Apart from anything else you can always tell when she's about, because at six foot or so before she puts on her heels you can generally spot her even when she's right down the other end of the office, and with only a few strides of those shapely pins she's upon you! Still, it's not like her legs are the only thing about her we've fallen for – the rest of her ain't too shabby either! When you've got a bum as delicious as that to ogle, the near it is to eye-level the better, frankly, and Danielle's is definitely nearer eye level than most! All in all she's just about the perfect package, even down to that deliciously inviting bumhole!

Web Rat

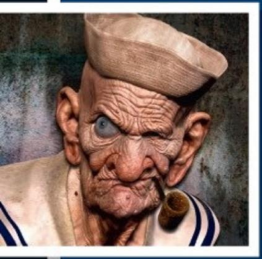
A collection of all the weird and wonderful stuff we've found on the web this month. And if you've stumbled upon a great site you'd like us to feature, drop us a line at menonly@paulraymond.com!

WHAT STOPPED US FROM WORKING THIS MONTH...

Funny, Bizarre And Amazing Illustrations
http://www.arethemost.com

A mad-arse URL you could spend some serious time perusing and not have wasted a single minute, this gallery site lives up to its "amazing illustrations" claim with some truly incredible photorealistic renderings of Popeye in his old age ("What If Popeye Was Real?")

The illustrations are solicited from the public and the quality control exercised by the webmasters is every bit as impressive as the talent shown by many of the site's visitors. Also, prepare to be intrigued, at the very least, by the cleverment of the site's admittedly eerie selection of stereoscopic 3D drawings.



Photos Lost In Lavvies, Photo Booths And Train Stations – Is This You?
http://www.isthisyou.co.uk/

"Have you ever lost a picture of yourself? Left a photo-booth in a hurry? Jilted a lover?" asks the saddo webmaster on the site's homepage. "If you have, you might be here."

That's because his band of weirdo mates have been picking up every bit of crap off the ground they could find for years and have given this nutter the photos so that he could scan them in as content for his site.

Dreary, yet vaguely disturbing… because with each click there's a billion-to-one-chance you will actually catch sight of yourself, an acquaintance, or that Dear John letter you got from whatshername back in school that had you blubbering.

Stare At Nothing But The Bloody Test Card Again. The Test Card Gallery
http://www.meldrum.co.uk/mhp/testcard/index.html

Since the earliest days of commercial television the BBC and ITV have employed a number of tuning signals, test cards and captions either for engineering purposes or just to fill time in the days before breakfast and daytime TV (for all you young things out there, this means prior to the early 1980s).

This site shows some of them, supplies a spot of history, and showcases some of the captions used in days gone by but fondly remembered by those of us sufficiently elderly to remember hellish days fondly.

Rune's Barf Bag Collection
http://fly.to/barfbag

If you're into motion sickness boke bags of the world, with actual-sized scans of every barf bag ever provided by every single airline on the planet, and you visit this URL, pilgrim you have reached your goal.

In all my years on Earth (I spent almost a decade on Pluto at one point but got homesick) I never knew that anyone collected airline sick pokes, and frankly I am very glad of that gap in my general knowledge. This said, there's a stupefyingly vast variety of bags out there and our webmaster has provided us with a collection of high altitude vomit receptacles so freakishly comprehensive that the visitor's imagination is not so much beggared as entirely flaming buggered.

For example, the now-antique Air Afrique barf bag is, understandably, much sought-after. Air Afrique has its headquarters in the République de Côte-d'Ivoire. "It is a truly beautiful bag with multilingual instructions and delightful pictures on both sides."

Aeroflot 9's faded red bag with the logo "Hygienic package" also caught my eye. As did the name of the person who donated it to the site. Is it only me or does anyone else find the name "Josef Gebele" reminds them of anybody?

Oh my word, the peculiar things that people do collect! - I use the word "people" here only loosely.

If, however, like me, you actually do get violently sick on fucking aeroplanes this stupid site for (and by) people with cast-iron stomachs will just make you angry. And, later, when you've calmed down a bit, deeply bitter.

Date Yourself Or Someone Who Looks Like You
http://www.findyourfacemate.com/

Web mistress Christina Bloom is the founder of FindYourFacemate.com, a dating site which helps you date a person of the opposite sex who looks like you. This well-intentioned madwoman claims she was inspired to build the website after people kept telling her that she and her ex-husband look a lot alike. Just a quick word of caution: note the "ex-" preceding "husband".

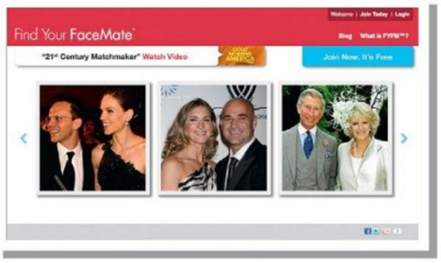
Christina's site (which is to say, Christina herself in all probability) will use facial mapping software to match you up with someone who could be your sibling, a parent, your reflection in the shaving mirror, or even, one imagines, your long lost clone.

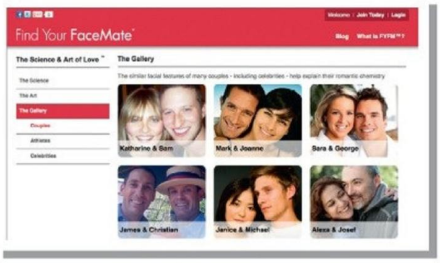
The website is powered by facial-recognition technology developed by Face.com, which zeros in on nine points on each face — the eyes, ears, nose, chin, and the corners and centre of the mouth — to find physical similarities between customers.

Once facial matches have been found, users can select "candidates who share their values and personal style". These considerations, though secondary to whether you look like your wife (and your dog looks like its owner) still matter, according to Ms Bloom.

Better yet, she says, a 1989 study published in the Journal of Social and Personal Relationships concluded that "facial resemblance among couples appears to reflect a real phenomenon."

Instances of the so-called "dating-your-face dynamic" can, she insists, be found in celebrity couples who share a resemblance, with rotten actors and actresses regularly attracted to men and women who could be their siblings or even themselves and points the finger at Ryan Phillippe and Reese Witherspoon, Heidi Klum and Seal, Iman and David Bowie, Matt Damon and Luciana, and Arthur Becker and Matthew McConnaughey. Even though I didn't know the last two were even dating.





The similar facial features of many couples - including celebrities - help explain their romantic chemistry

TELEVISION X

SHAFTA... HOURS DRINKING!

Well, the votes are in and they've all been counted, so what else was there for Television X to do but organise a piss-up in a central London venue and dish out the silverwear to the studs and strumpets who've been putting their mouths where the moneyshot is this last twelvemonth? Nothing, that's what.

There's a certain something about a porno awards night that you don't really experience anywhere else. It maybe the fact that most of the women are far keener to get noticed than anywhere else on the planet, or that the men are generally scruffier than anywhere else, but whatever it is, the 2012 Shaftas, held at Piccadilly's Platinum Lace in March didn't disappoint! There were boobs and booze aplenty as the cliterati were out in force to give each other a great big slap on the backs. Top mentions must go to Tanya Tate, who picked up the Paul Raymond award for best gonzo/reality series, and to Megan Coxxx, who bagged the coveted Female Performer of the Year trophy. Truly a good time was had by all!

PICS

Like a favourite old film that you find yourself drawn back to once every now and again, Conny's one of those delights we'll never tire of revisiting! She's just about the perfect package – curvy in all the right places without carrying any extra weight where she shouldn't. But that's not the half of it – she's a lovely girl who can never do enough to please! We're simple folk here at *Men Only*, and frankly a woman as sexy as this just taking her clothes off is good enough for us, but Conny's always anxious to make sure we're comfortable and that we've got everything we need before she starts. We haven't had the nerve to ask for a box of tissues yet, mind…

HAPPY ANAL-VERSARY

It was our fifth anniversary last month and so my wife and I went to a local restaurant for a celebratory meal. By the time we got home, my wife Jess was a bit tipsy. She put some sloppy music on for us to dance to but only managed a couple before the effects of the alcohol kicked in and she started fading. We went upstairs and by the time I'd got back from the toilet, she was lying there completely still as if she'd already fallen asleep!

I wasn't sure if she was winding me up, particularly because she had her lovely red underwear on and is normally very horny after a drink, so I said I'd help her get undressed so she didn't get uncomfortable during the night. I took her trousers and knickers off and then started on the top half, which was a bit more difficult.

Eventually I got all her clothes off and opened her legs to check what the response would be – she gave a tiny wry smile, so I knew she was having me on. I went down and licked between those lovely, juicy lips, circling her already swollen clit before repositioning her legs and getting on and going for it. I must have been feeling pretty horny myself, because I was soon banging away furiously until I shot my load deep inside her. Jess then really came to life, she had been awake all along. She started gyrating her hips, making her come filled snatch massage my cock – this meant she wanted some more action.

> "She grabbed my cock, lifted her legs up, and rubbed my cock around her sphincter."

To start with, I couldn't really be bothered and just thought about getting off. But Jess kept on, so I had a good lick of those gorgeous erect nipples and was hard inside her soon afterwards. As soon as she felt that, she grabbed hold of my cock, lifted her legs up onto my shoulders and rubbed my swollen, juice lubed cock around her sphincter. It went in a lot easier than on previous failed attempts. I managed a few small strokes while she rubbed her clit, then she said she needed the vibrator and a porn video on. I obliged on both fronts but the vibrator was being temperamental so I said I'd go and get some more batteries from downstairs. She said she wasn't worried

about the batteries and started fucking herself with this big plastic cock. I got back on and she immediately grabbed hold of my cock and put it back up her arse while she filled her front hole. I could only get small strokes while she fucked herself with the vibrator as her hand was in the way – she soon realised this.

She then suggested it would be better if I did her doggy style. I agreed instantly and she got up on all fours, positioned my cock in her arse then carried on with the vibrator in her snatch and her fingers rubbing her clit. I was banging away like I thought I'd never get the chance to with her. To say she's never been that keen on anal before would be an understatement. We'd tried a few times but never got further than my helmet just inside her before she'd started complaining – but tonight was the exact opposite!

While my balls were slapping violently against her hand as she fucked herself with the vibrator, she said "That is fucking gorgeous," in exactly the same lovely husky tone as when I first fingered both her holes at the same time a couple of years ago.

After several minutes of this absolute heaven, she said she did need batteries for the vibrator, so I pulled out, went downstairs and got some new ones and replaced them sharpish. When I returned to the bedroom we resumed our fun. She really starting going for it then, buzzing away like a good 'un and then surprising me by saying she wanted to suck my cock. I slipped it out of her arse and she turned round and gobbled it. It was a bit sore after shoving it up her arse, but she wanted to do it, so I could not deny her the pleasure.

> "She then suggested it would be better if I did her doggy-style. I agreed instantly."

After a couple of minutes of this, I told her to turn around again and squeezed my throbbing cock back in that lovely tight arse. I started going for it big time, grabbing her hips and fucking her for all I was worth. She then surprised me again by panting, "That's it, fuck me up the arse – hard."

A few minutes later we were both still going hell for leather – me up her arse and her fucking herself with the vibrator and flicking her bean – when she came and started moving away from my cock. I pulled out of her arse and started wanking away, trying to come again but it wasn't happening. She was lying on her front on the bed, so I carried on stroking my cock and let her calm down.

> "I told her to turn around again and squeezed my cock back in that lovely tight arse."

After a few minutes I gently slipped it back into her snatch, although she seemed a bit surprised with this. I then went for it big style and it wasn't too long before I let out a moan and came deep inside her hole. It just goes to show you, even after five years of marriage, wives can still surprise you!

KNOB DYLAN

I've recently started work in a new job at a newly opened hair salon. I like it here as it's not far from my flat and I get along well with the customers and staff. One of the perks of working here is that my boss, Dylan, is seriously hot. Not only is he good looking, according to the rest of the girls he's also really well hung.

Dylan is married with three kids, but this doesn't stop him throwing a leg over anyone he fancies as he and his wife have an open marriage. About two weeks ago, my boyfriend and I had a fight and he stormed out of the flat leaving me to fend for myself. The flat felt very empty which in itself made me more angry at him, so the next day, when Dylan asked me to stay back for a customer who arrived late, I happily agreed.

Dylan always stays till last to lock up, and when the customer left he gave me a hug to thank me for helping him out. As he pulled me into his arms I could feel his erection and looked up at him in surprise. He gave me a cheeky smile and lightly brushed a hand across one of my tits.

Just that one touch made my pussy tingle and I could feel my panties becoming instantly wet. Standing on my tiptoes I reached up and kissed him. It was a long, deep kiss, and my knees were wobbly by the time our lips broke contact.

Dylan locked the doors and dropped the blinds while I pulled off my jeans and panties. He then picked me up and sat me in one of the salon chairs, pumping the lever to raise the seat. Then, tipping the seat back slightly, Dylan draped each of my legs over the arm-rests.

With my legs spread wide, my pussy was now fully on display for him. He jerked down his zipper and pulled out one of the longest cocks I have ever seen. It wasn't quite as thick as my boyfriend's, but it stood to attention magnificently, his bell-end glazed with pre-come, ready for action.

> "He spread my pussy lips wide and began to eat my throbbing pussy."

Stroking it for me to see his full length, Dylan got on his knees. With one hand still casually pumping his cock, he spread my pussy lips wide with the other, and then began to eat my throbbing pussy. Sucking loudly on my juices, Dylan pushed his tongue as far inside my cunt as he could.

My clit pulsed as he tweaked my little nub with his fingers while slurping away at my pussy. Withdrawing his prodding tongue,

he lashed it against the swollen folds of my labia making me almost hysterical with excitement as he gently pulled and twisted my clitoris.

My pussy clenched and spasmed as my orgasm hit, and I gulped for breath as waves of deep shuddering sensations erupted in my pussy.

I was still recovering when Dylan pulled me out of the chair and almost ripped my blouse off to get at my boobs. My nipples were hard and erect as he pulled my bra clear, and, gripping one of them in his hand, he sucked hard. While he played with my tits, I grabbed hold of his long penis and began to rub it against the inside of my thigh.

Dylan tweaked and pulled at my nipples, making me writhe with the pleasure of it. My pussy was smouldering hot, desperate for cock, and I began to angle his penis between my thighs. Dylan laughed at my attempts to climb onto his dick and, spinning me around, steered me toward the counter-top and bent me across it.

My breasts were flattened against the hard, cold surface, making my nipples even harder and more sensitive as Dylan pushed his prick against my streaming slot. With one easy jerk, he was inside me and I spread my legs wide as he began to pump my sticky cunt with his long, stiff cock.

I must have had at least eight inches inside me as he slid his full length in, because I swear that my pussy has never felt so thoroughly filled before. It was throbbing deep inside as he teased me by sliding his cock part way in and then jerking it home until he was balls-deep inside me. Explosions of pleasure from deep inside me shuddered through my well-fucked slot and I wrapped my legs around his back, gripping him hard and pulling him further into me.

> "I must have had at least eight inches inside me as he slid his full length in…"

Getting used to the deep pounding, I dipped my back, cocking my arse higher in the air so he could push his amazing cock even further inside me. Reaching forward to play with my nipples again, Dylan reverted to long, slow, teasing strokes, shunting his cock all the way in, then pulling it back until his knob end was just inside my tingling wet cunt lips.

> "Dylan pushed his prick against my steaming slot. With one jerk he was inside."

I felt hotter than ever before and my pussy was getting such an amazing seeing-to that it throbbed and pulsed inside as it dripped with my sticky love juices. I was now feeling thoroughly used to his long tool and wanted to feel it pounding even harder inside my throbbing cunt.

I was beginning to get frustrated and begged him to fuck me harder. He obliged by gripping my hips and lunging his long dick really hard inside my convulsing fanny. I closed my eyes and gripped the edge of the counter top hard as he plunged his full length in and out. With one last powerful thrust he pushed all the way inside me and blasted my pussy with a great, steaming jet of his hot, thick cream, sending me over the edge as another orgasm hit me.

I lay across the counter-top, among all the hairbrushes and scissors and hairdryers, thinking to myself that this had to be the single best, most exciting fuck I'd ever had in my life.

Molly, Chorley.

We've all seen plenty of WWII flicks that play fast and loose with history, from plucky gangs dropped behind enemy lines like *The Eagle Has Landed* and the ludicrously anti-historical *Inglorious Basterds* to *Saving Private Ryan* and the shockingly wide-of-the-mark *U-571*. But while these are basically action flicks that like to take a few liberties in order to give a historical context to their basic plots, *Resistance* takes things to a completely different level…

It's based on a book of the same name (by Owen Shears) which, following in the tradition of Robert Harris's bestseller *Fatherland*, starts off with the assumption that the Germans actually got the upper hand in the war. Whereas Harris's book takes a more global look at the consequences, *Resistance* focuses very tightly on a small Welsh village that has been occupied by a handful of German soldiers, while the menfolk of the village have all vanished (presumably to join the resistance). Despite the rather explosive looking DVD sleeve it's not really an actioner in the typical WWII fashion at all – more of a character study in the way the women of the village and their Nazi occupiers interact and come to terms with their situation.

Andrea Riseborough stars as Sarah, one of the village's abandoned wives, and puts in a strong performance in this thoughtful film. Don't expect the Battle for Britain, mind – it's a lot more personal than that.

Ah, you've got to love Jackie Chan, haven't you? He's been throwing himself about for years for our entertainment and this, ladies and gents, marks his 100th big screen outing! Not only that, he executive produced and directed it as well. One of these days he's going to have a nice sit down and put his feet up for a bit, but on the evidence of this movie, it's not going to be any time soon!

Chan plays Huang Xing, one of the leading lights in the Xinhai Revolution, the final overthrowing of China's imperial government after going on 3,000 years. Chinese cinema lovers should find plenty here to ring their bells here and we've got 3 copies to give away. Just tell us who starred alongside Chan in *Rush Hour* and send your answers to MO's Chan Comp at the usual address, or email menonly@paulraymond.com by May 4th 2012.

Viewers of late night BBC3 who haven't quite got the timings for Family Guy right (that's the excuse I always use, anyway) might be familiar with Wilfred, the rather deranged comedy series starring Elijah Wood and Jason Gann as the curiously anthropomorphic dog who starts to take over his life. There are plenty of laughs alright, but Gann's Aussie accent gives the game away that the show's really a remake, with the original Wilfred having aired down under a few years back. And now the original pair of Australian series are being released on DVD over here. As you might expect, the show's a little darker and nearer the knuckle than its American version, with Gann really getting stuck into Adam Zwar's near-suicidal Adam as he sets about rebuilding his life. Plenty of extras too, for those who like that sort of thing!

Have Microsoft got the force on their side for their new Star Wars title, or is it going to be as lame as Yoda advertising mobile phones? Decide, we must…

GAME OF THE MONTH

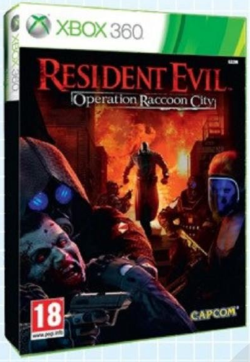
Hmm, it looks from here that the Kinect sensor is really turning the Xbox into the platform of choice for family gamers, with all the swinging your arms about fun of the Wii combining with the better graphics and more involved gameplay of a grown-up console. And now Microsoft have teamed up game with console to an even greater degree with the new Star Wars branded Xbox to tie in with the release of this Kinect dependant game – and let's face it, if it's a game that requires a fair old bit of light sabring is always going to gel nicely with a hand held peripheral you can swish around the room, isn't it?

Of course there's more to it than fighting with a light sabre, though – all told there are five modes of play, with Jedi Destiny mode offering the chance to engage in space battles and landspeeder riding, while Podracing and the oddly satisfying Rancor Rampage modes offer up plenty of thrills and spills. And when racing, fighting and, erm, rampaging get too much for you, there's also the chance to engage in a dance off. That's right – you can save the universe through boogie. Always a welcome option, that one!

OPERATION RACCOON CITY

Capcom – X360, PS3, PC

5/10



This latest addition to the Resident Evil franchise involves a lot of – well go on, have a guess! That's right, it involved a lot of shooting zombies, something that we've all had plenty of experience off thanks to all the other RE titles. This one, with its overlong name (we couldn't even fit it all in here) revolves around the customary tale of secret laboratories and nasty viruses escaping, and well, who cares about the plot? The thing is, it all seems a bit rudimentary and run of the mill. sadly it looks like newer doesn't always mean better…

7/10

Fans of *Red Dwarf* might just feel a slight twinge of familiarity with this game, in which your character (Rachel Manners) wakes up to find everyone else on board her spacecraft dead. OK, so there's no cat or hologram companion, but there is the computer's on board computer, JULIA, to lend a hand as you explore the alien world you're orbiting. Plenty of puzzles and a nice visual style make for a good gameplaying experience in what is a solid addition to Lace Mamba's output.

Got your light sabre handy? Good, then get it out and start yanking it, 'cos we've got a couple of top drawer offerings amongst this month's selection!

STAR WARS XXX: A PORN PARODY

Axel Braun/Vivid

CAST: Allie Haze, Kimberly Kane, Gia DiMarco, Eve Laurence, Brandy Aniston, Jennifer White, Rihana Rimes, Jennifer Dark.

EDITOR'S CHOICE

This high budget parody kicks off as an almost scene for scene homage to the very first *Star Wars* title, with rebels battling to fend off storm troopers and Darth Vader – it's even got the same music. Still, C3PO's a good bit camper than the original, and the storm troopers themselves are definitely curvier. Hey, look at me – I'm actually watching this rather than just skipping to the sex scenes!

Things kick off with Lexington Steel's Darth using the force to get Allie Haze's Leia feeling horny, and the furry-fannied strumpet frigs herself silly right in front of hime – a nice tease before she yanks out his giant pole and gives him a noisy noshing off.

We all know the plot of *Star Wars*, so I won't bore you with too much of that – except to say the dialogue's given a nicely comic tweak. The shagging, meanwhile, slots into the storyline rather nicely. Tom Byron, who pulls off a not too shabby impersonation of Alec Guinness, gets to poke a comely Tusken Raider up the jacksie after seeing off a few of her kinsfolk, while some reprobates at the cantina give us a lesbo showing and a quartet of others get some sly knobbing in while the band plings away in the background. It's energetic stuff, and you'd have to be pretty stingy to quibble about the lack of anal in the scene.

Funniest scene is probably the one in which Chewbacca gets it on with a couple of storm troopers, with only his knob pointing out of his big hairy suite, but really this is a fine enterprise all round! Great sets and costumes, a witty script and plenty of sex. You can't ask for more than that! **5/5**

RELAXXX

Bluebird Films

CAST: Gemma Massey, Katie K, Natasha Marley, Paige Ashley, Cindy Behr, Jenny Laird, Karen Wood… and more!

According to Frankie Goes To Hollywood, relax is what you were supposed to do to stop yourself coming, which doesn't really sound like a ringing endorsement for a bongo flick, does it? Still, given the cast list I think it's a pretty safe bet that not coming isn't much of an option.

The five scenes are named after a rather curious selection of nouns, with the first, 'Temper' starring Natasha Marley and Amanda Rendall. Natasha's a masseuse, and things soon get out of hand as Natasha makes use of a different kind of massager to plunder her client's welcoming snatch. A couple of attendants even come to lend a hand as the girls go to town, frigging each other senseless until this reviewer at least had managed to shed a fair bit of tension he'd been carrying around all day.

It's 'Sport' next, which rather laughably means three girls bouncing a basketball to each other until Katie K falls over with some sort of leg strain. Call Nurse Passion, who administers a bit of oil and then sucks her tits to make her feel better. Soon the poorly gam is all forgotten as the pair of them poke each other with a selection of toys. If only first aid was always like this!

There's more oil and sex toy action next, as a couple of sunbathers take a break from their tanning to engage in a spot of sapphism, and then we get to Gemma Massey – who's also in need of a nurse after getting strung out on the phone! These girls are a delicate bunch alright, but Sister Stacey knows a few tricks to get her fighting fit again!

Well, you get the picture – a couple of girls lezzing up with toys. Frankly a bit more variation might not be amiss in a two hour flick… **3/5**

RETRIBUTION

Harmony

CAST: Samantha Jolie, Caprice, Sasha Rose, Alice Romaine, Angel Rivas, Ferrara Gomez.

Oh, you're heart's got to go out to poor Nacho Vidal, the hapless star of this flick. He's just chilling at home, watching a scruff flick on his laptop when he's interrupted by a woman appearing on the screen, who tells him to head out to his terrace. The terrified cocksman does as he's told, only to find blonde lovelies Sasha and Caprice lezzing up out there. To make things even worse for him, they beckon him over and set about slobbering all over his cock. Before he can catch his breath he's balls deep in their pussies and then arses, fucking them frantically and holding out admirably longer than any normal man would be able to manage. It's a sizzling opening scene – great angles, stunning girls and some really full on boning. Awesome.

As if his day couldn't get any better, he then heads upstairs to find Ferrara waiting for him. She's desperate to drain his balls as well, this time ending up with a very squishy creampie in another red-hot scene.

Finally some other cocksmen get in on the action, with George Uhl having the pleasure of Angel Rivas's oiled up boobs and bumhole, and no fewer than three studs plundering the utterly depraved Samantha Jolie every way they can. It all turns up to be a set up by Alice Romaine, who, after giving up her own jacksie to Nacho, stitches him up right at the end. Stunning from start to finish, this is one of the horniet movies I've seen in ages. **5/5**

Christy's BIG BANG
CAN CHRISTY TAKE A HUGE, HARD COCK?

CHRISTY'S BIG BANG

Score Group

CAST: Christy Marks, Cassandra Calogera, Carmen Hayes, Janet Jade.

They're not mucking about with anything as silly as a plot here. Some dude's just sitting on his bed minding his own business when a couple of big-titted broads run into his room, already completely stripped. Well, he's clearly not the sort of chap to look a couple of gift whores in the mouth, and invites them to join him on his flowery bedspread. The room's a bit small, so any angles available are a tad limited, but he does his best to bang them in a relatively professional manner before finishing off with a double tit wank and a pop. The next scene sees Christy in playful mood – she jiggles her norks in time with her iPod before a DP wank with a couple of toys. There's plenty more, with Christy teaming up with busty black beauty Janet to tit wank a knob to within an inch of it's life. Low rent stuff, but big natural boob lovers will be happy. **3/5 Available from your local sex shop.**

TERRI SUMMMERS' TEASERS

Your Choice/Shwing!

CAST: Sandy Cage, Silvie de Luxe, Leona Queen, Vicky Peach, Michelle Moist, Teresa du More, Foxy Angel, Emma, Sammy.

British birds Sammy and Emma are larking about in a swimming pool. Ah, to be young in the summer! Anyway, their bikinis soon come off and they rub their nips together. Is it my imagination, or are they both a bit sozzled? Anyway, they carry on talking rubbish and feeling each others boobs, but apart from a little bit of coy fanny lapping, that's it for the first scene – and it takes half an hour! What's all that about?! Next up hairy nadgered Silvie is playing with herself in colour while fantasising about shagging a bloke in black and white. There's very little to recommend this scene either, frankly, other than the fact that it's actually got some sex in it. Sandy Cage keeps her knickers on as she pours some oil over herself, and Leone Queen doesn't get much ruder either. Solo scenes from Michelle Moist and Vicky Peach raise the bar a bit… but really! **2/5 Available from yourchoice.co.uk.**

Emma

Photos: Holly Randall/EXP

Great cripes – what the hell's going on here? It looks like Emma's got a patch of arm that's disappeared! Oh, hang on, closer inspection tells me it's just a tattoo that's curiously camouflaged to blend in with the paisley style wallpaper. Let's hope she doesn't get the rest of her body done any time soon, otherwise we'd just be left looking at some flowing blonde locks hovering mysteriously in front of the wall! In any event, the rest of Emma's so stunning it more than makes up for the fact that a portion of her is, to all intents and purposes, invisible. In fact I think I'm something like nine tenths in love!

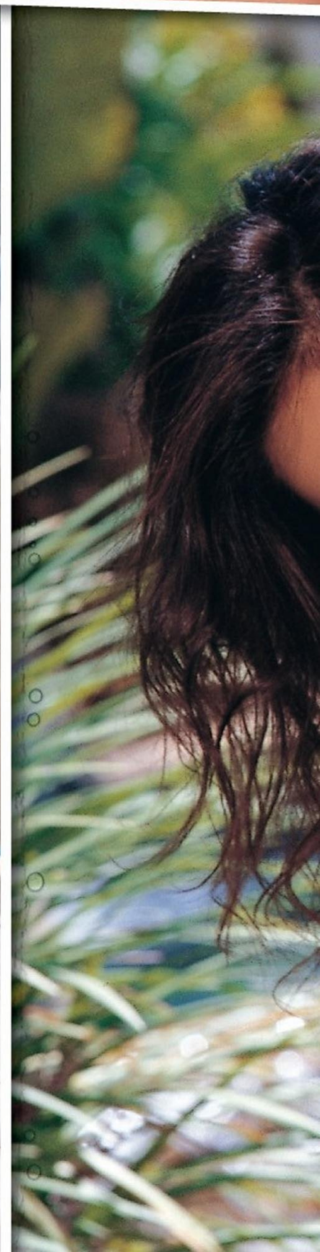
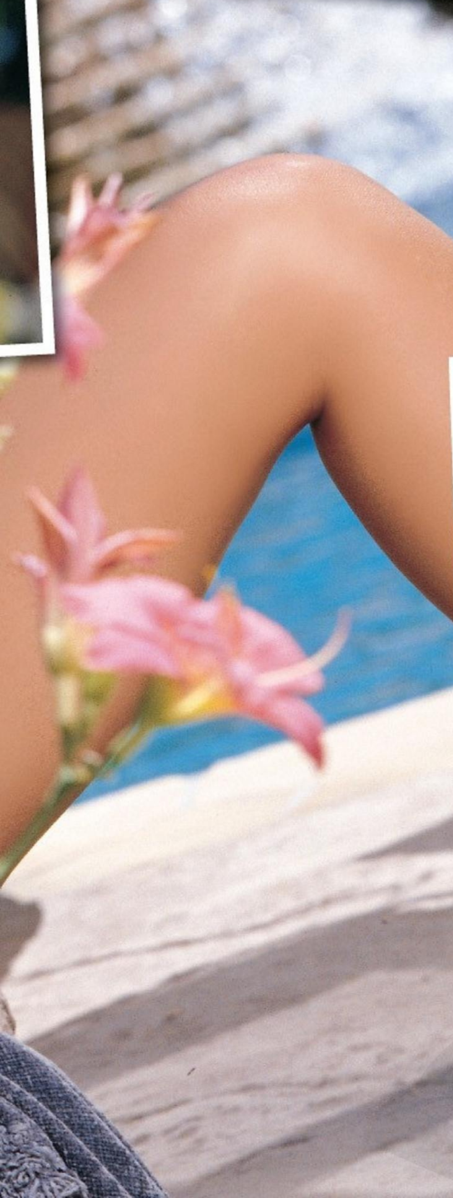
Zoe

Photos: Sage Style



WorldMags



OK, it's only April, so things aren't exactly tropical out there just yet, but we thought it'd be nice to give you a little taste of things to come with Zoe doing the honours and bucking us all up with a combination of balmy weather, beauteous boobs and, erm, a bit of bush! And it turns out the girl's a bit of a sun worshiper herself… "Oh well who isn't?" she gushed when we asked her about it. "I mean don't you find yourself feeling better, healthier and, well, even hornier when the sun's shining?" Umm, if you put it like that we suppose we do – especially when there's a saucy bird cavorting in the nip right in front of us!

COMING NEXT MONTH

I don't know about you lot, but the more beautiful babes I get in *Men Only*, the more I want! So it's just as well that we've got a gaggle of gorgeous girls lined up for next month, isn't it? The curvy Roxanne you might recognise – we've had a couple of times before (if only!), but we're also delighted to welcome to the bosom of the *Men Only* family the delicious British babe Nina Bailey, who'll be sharing her very special charms with us in just a few short weeks! There'll be plenty more, of course, but the Ed's just shuffling the pack (I think that's what he said he was doing when I banged on his office door) to see exactly who gets in…
